Muslim Cas.

EXCERPT FROM D/FBIS DAILY LOG - 11 April 1980

[ ] CABLES TO AMBASSADORS. [ ] informed me that INR had approved our cables to the ambassadors on the Muslim World coverage with a few minor changes which we approved. I also suggested [ ] we delete the reference in the cable to Islamabad about domestic Pakistani coverage. That might cause both the Ambassador and the Paks some concern, and we could do it anyhow in an emergency. We have learned that [ ] will be returning shortly for consultation, as will Ambassador Hummel. (cc: AC/Ops, C/Admin, C/E&PS) (U)
